Faith Mission Food Delivery: In Need of April & May Coverage

On the second Tuesday of each month, during the school year, our dining service, SAGE, provides extra food to deliver to Faith Mission (*funds provided by the CA Service Department budget). Due to COVID restrictions, Service Department members Beckie Hoagland and Matt McCue have been delivering food and snack bags assembled by upper-schoolers.

Snacks and meals for the monthly delivery to “Faith on 8th” is provided for 90-100 people. Contact Christy Bening or Michelle Platt if you or your group would like to make snack bags or provide a meal for the next two deliveries on April 5 and May 10.

*The Service Department’s annual expenses and needs are funded through the school’s operating budget and from the Galbreath Family Service Board/Community Service Fund, an endowed fund established by alumnus Squire Galbreath '79 and his family.
