35 CCAD: Here for Creative Collaboration

A look at how the Columbus College of Art & Design enhances the city's businesses and organizations with design thinking

CCAD GRADS MAKE COLUMBUS A PLACE THE WORLD WATCHES

Throughout Central Ohio, Columbus College of Art & Design alumni are making the world a more interesting place to live, work and play. Below are just a few examples of CCAD graduates who are shaping Columbus in surprising ways.

"At CCAD, I learned time management skills, and that there is more than one way of doing everything—so be open! CCAD grads are everywhere, and we are applying creative problem-solving to your daily life."
